**Public Health Act.**—The Committee once again have pleasure in acknowledging the annual grants, as set out in the list made by the following Authorities under the power conferred on them by the Public Health Act, 1925, and the Committee desire to offer their thanks publicly for the sympathetic consideration of these bodies:—

- Middlesex County Council
- Surrey County Council
- Barnes Borough Council
- Brentford and Chiswick Borough Council

- Kingston Borough Council
- Richmond Borough Council

- Sunbury Urban District Council
- Teddington Urban District Council.

**Linen League and Ladies' Working Party.**—The Committee desire to express thanks to the Linen League and Ladies'

working Party for the very valuable work which they have continued to do for many years. This regular assistance is a source of great encouragement to the Committee. In 1934 £50 has been received towards the Linen League Bed in the Women's Ward, £30 towards the maintenance of a bed in the Children's Ward, over £150 has been spent on House Linen, etc., £5 13s. 3d. on anæsthetic gowns. To Mrs. Wm. Sandover, the Hon. Secretary, the members of the Linen League, and the members of the Working Party, the Committee take this opportunity to express their sincere appreciation of their splendid work and unfailing support.

**Friends of the Hospital.**—The Committee of Management very much appreciate the continued help received from the Friends of the Hospital Association, and desire to express their thanks to all those who have assisted in its work.

The Association has now completed its second year, and once again the policy has been to help and increase the existing Hospital functions, such as Pound Day, Rose Day, and the Christmas Stocking collection, and has been most successful.

In addition, the sum of £250 has been raised by a Jumble Sale, a Bridge and Whist Drive, and the Garden Fete held at the Hospital in July. The Committee of the Friends of the Hospital are most grateful to the Girls' County School, the Old Vicarage School, and Broomfield House School for their kindness in holding Concerts, Sales of Work, etc., and to Mrs. Riley for a Sale of Work, all of which brought in welcome donations to the funds.

The Associates now number 200, and all of them have been called on for help from time to time. The Committee consists of representatives from Richmond, Kew, Kew Gardens, North Sheen, East Sheen, St. Margaret's, East Twickenham, Twickenham, Barnes, and Petersham. The aim of the Committee is to extend its representation to all districts served by the Hospital, and the Hon. Secretary, Mrs. J. H. Houghton, 5, Holmesthorpe Road, Kew Gardens, will be glad to have the names of any ladies who would be willing to join the Association. There is no subscription, and Associates may choose when, where, and how they like to help.

**Pound Day.**—This was again organised by Councillor Mrs. Ellen Edwards, and although the number of pounds received was actually less than in previous years, the quality of

goods surpassed that of any other year, and the Committee are most grateful both to Councillor Mrs. Ellen Edwards and to all those who so generously assisted her.

The Hospital was honoured by an inaugural visit from the Mayors and Mayoresses of Richmond, Barnes, and Twickenham. In the afternoon the Arthur Rees Players again came in costume to present their gifts.

**Hospital Cricket Match.**—The efforts of the Hospital Cricket Match Committee proved most successful, and a very enjoyable afternoon and some excellent cricket resulted in a sum of no less than £162 4s. 7d. being added to the Hospital funds.

**Blood Transfusion Service.**—During the past year the London Blood Transfusion Service have supplied many donors to this Hospital at no fee or cost, and the Committee are very grateful to both the donors and the Service for this assistance.

**Out-Patient Registration Department.**—The new system of registration adopted in August, 1934, has proved an unqualified success and has considerably added to the promptness and efficiency of the service rendered to the patients as well as to their personal comfort.

**Wireless.**—Through the generosity of Alderman J. T. Mears a complete new wireless installation to the wards was installed, and by the kindness of those who responded to the appeal in the local Press a fund totalling £45 15s. for the maintenance of same has been established. Full particulars can be found on page 29.

**Gifts in Kind.**—The Committee are particularly grateful for the many valuable and useful gifts in kind received during the year, a list of which appears on page 69. The Fund for the entertainment of the patients at Christmas received generous support, and the arrangements made by the staff to brighten the wards were much appreciated by both patients and visitors.

**Special Departments.**—The Massage and Electro-Therapeutic Department and X-Ray Department continue to afford facilities for the treatment and care of the patients.

**Legacies and Contributions of £50 and Over.**—Particulars of these will be found on pages 73 and 59 of the report.

**Special Efforts.**—During the year special efforts have been made by organisations outside the Hospital to raise funds, and the Committee desire to express their thanks to the following for the very kind assistance given:—Alexandra Rose Day (Mrs. Riley and Mrs. J. H. Houghton), Boxing Day Regatta (Captain H. B. Alaway, M.C., and Committee), Railwaymen's Collection (Mr. M. L. Bazley and Mr. H. Taylor, J.P.), Milkmen's Collection, Feltham (Mr. and Mrs. Walter Hitchings), Pound Day (Councillor Mrs. Ellen Edwards), Hospital Garden Party (Friends of the Hospital Association), Richmond Bowling Club (Hospital Cup Competition), The Old Vicarage School (entertainment), Hospital Cricket Match at Mortlake, Equestrian Club, Ltd. Scouts, Mr. D. H. Warner, and Master S. Peasley.

**Retirement of Secretary.**—Mr. Richard Allen, who had been the Secretary of the Hospital for 25 years, tendered his resignation in May, 1934, owing to the serious condition of his health, and retired on a pension. Captain G. M. Eden, M.B.E., was appointed Secretary-Superintendent on June 1st, 1934.

**General Thanks.**—The grateful thanks of the Committee are extended to all who have assisted in any way in the work of the Hospital, and while it is possible to mention but a few by name, they would like to include all subscribers and donors, the Hon. Medical and Surgical Staff, the Hon. Masseuse, the Hon. Chaplain, Clergy, and Ministers of all denominations, the St. John Ambulance Nursing Association, the Hon. Solicitor (Lieutenant-Colonel Wm. Merrick, T.D.), especially for services in connection with motor car accident cases, the

Press for their valuable help in matters of publicity, etc., the Chief Officer of the Richmond Fire Brigade and his staff for carrying out fire drill and examination of fire appliances, and the Officials and Staff, both nursing and administrative, of the Hospital.

In conclusion, the Committee of Management ask for the support of all new residents in Richmond and the surrounding districts, who are not already contributors, to help them in their task of raising money to maintain and improve the high standard of service they desire to render to those who need their help.

WALTER SANDERSON, Chairman.

G. M. EDEN, Secretary-Superintendent.

## Report of the Almoner's Department, 1934.

---

This year 8,683 new patients have passed through the Almoner's department—an increase of 498 on 1933; 1,492 of these were In-patients and 7,191 Out-patients. The number of patients contributing to the Hospital Saving Association again shows an increase, and, as a result, the H.S.A. grant is £455 more than in 1933. This year the total amount contributed for services rendered is £5,689, and the following analysis indicating the amounts received from the various sources may be of some interest:—

Contributions from In-patients	...	...	£1363
" " Out-patients	...	...	£510
Grant from H.S.A.	...	...	£2770
" " H.S.F.	...	...	£404
" " L.M.S.	...	...	£16
Other Hospital Funds	...	...	£16
Grants from National Health Insurance Societies	...	...	£226
Claims from Motor Accidents	...	...	£301
Public Authorities	...	...	£9
Other Sources	...	...	£74
			£5689

This year 52 patients were admitted to Hospital as a result of motor accidents—an increase of 27 on the previous year. The total cost to the Hospital of the motor cases amounted to £592 13s., of which £53 7s. has been paid so far by Insurance Companies under the Road Traffic Act. The total amount, however, collected during the year includes £114 for five accidents occurring in 1933, £101 for one case in 1932, and £35 for two 1931 patients. Of the 52 patients admitted this year, the full cost has been paid by the Insurance Companies in seven cases, and by the patients themselves in five other cases; seven were not Third Party and in seven others there was no liability. The percentage recovered on our motor cases compares very favourably with other Hospitals, and this is in no small measure due to the very valuable assistance of our Honorary Solicitors, to whom each unsettled case is handed on the patient's discharge from Hospital.

The year 1934 has shown a general improvement in economic conditions, and this has been reflected in the social conditions of our patients. The dire necessity and want of the past few years has greatly decreased, but nevertheless the need

and use of a Social Service Department has not lessened, as is shown not only in the actual recommendations for the After-Care of patients, but also by the many enquiries for advice and assistance made by the patients themselves.

The following figures will give so far as it is possible an idea of the recommendations made and carried out this year:

Patients recommended for convalescence	...	...	...	...	112
Patients recommended for Instruments and Dentures	...	...	...	...	254
Patients requiring general assistance, other nourishment, etc.	...	...	...	...	6
Special Homes and treatment	...	...	...	...	9

Much of this After-Care work has only been made possible by the co-operation and help of numerous voluntary Societies and State authorities, and the statistics given below show the number of agencies to whom patients have been referred for assistance.

#### PUBLIC AUTHORITIES.

Public Assistance Committees	...	...	...	...	47
Public Health and Education Authorities	...	...	...	...	6

#### VOLUNTARY AGENCIES.

Approved Societies	...	...	...	...	66
Royal Surgical Aid Society	...	...	...	...	23
United Services Fund and British Legion	...	...	...	...	17
Kingston Central Aid	...	...	...	...	17
Invalid Children's Aid Association	...	...	...	...	14
Clergy	...	...	...	...	11
Philanthropic Societies	...	...	...	...	9
Blind Societies	...	...	...	...	7
Other Societies	...	...	...	...	31

The total amount of money needed to enable this After-Care work to be carried out amounted to £848 8s., which is over £200 more than was required in 1933. Of this, £237 7s. 9d. was for convalescence and fares and £611 0s. 3d. for instruments and dentures. The following table will show how this was raised:—

		£	s.	d.
Patients' Payments	...	424	14	0
Approved Societies	...	126	13	10
H.S.A. and H.S.F.	...	105	16	5
Public Assistance Committees	...	87	17	0
Surgical Aid Society	...	18	10	0
Samaritan Fund	...	13	15	6
Richmond Philanthropic	...	12	12	10
Other Sources	...	58	8	5
		£848	8	0

In addition to the very valuable help and assistance given by the Voluntary Agencies and Public Authorities, the department owes much to those who, by their generous gifts of money and convalescent letters and surgical aid letters, have enabled many patients without resources to go to convalescent homes or to obtain the necessary instruments. In this way their recovery is hastened and they are able to return to their work or normal life at an earlier date.

## LIBRARY REPORT.

The free library service, for the patients in Hospital, organised by permission of the Richmond Public Library Committee, has again been very much appreciated by the patients. Practically 200 books are issued every month, and the Committee are most grateful to Mr. Cecil Piper (Borough Librarian) and his assistants for the interest they have shown, and the help they have given.

---

## CANTEEN REPORT.

Miss Stephens, assisted by her friends, have again succeeded in handing over to the Hospital Funds no less than £20, from the sale of refreshments to the patients in the Out-Patient Department. Patients welcome a cup of tea and biscuit while awaiting their turn to see the doctor, and so popular is this canteen that, instead of being open two days a week, Miss Stephens has arranged for it to be open four days a week. The thanks of the Committee are due to Miss Stephens and her friends for their kind help.

## WIRELESS REPORT.

In July, 1934, an appeal was made for funds for the provision of a new wireless installation, and the following contributions were received:—

	£	s.	d.
Sir John Archer, K.B.E., J.P. ...	10	0	0

## HON. CHAPLAIN'S REPORT.

The Rev. R. M. Parker has again been responsible for the greater part of the Chaplain's work. Since the departure of the Rev. A. J. W. Pritchard, St. John's have not been able to assist, but the Rev. S. J. Berry, of Holy Trinity, has kindly taken Mr. Parker's place one week each month.

The patients are visited every Friday afternoon, and services are held in the wards every Sunday from 5—6 p.m. The clergy are available for special calls at all hours. Holy Communion is celebrated in the wards at the greater festivals, and the Blessed Sacrament is brought to individuals at any time as need and opportunity arise.

The clergy are always glad to be told of people going into Hospital, and especially of those desiring to receive the Holy Communion there, so that there may be no fear of their being missed.

G. HAROLD M. GRAY, M.A.,

Vicar of Richmond.

## ABSTRACT FROM ARTICLES OF ASSOCIATION.

---

### ADMISSION OF PATIENTS.

52. The Governors shall have the privilege of recommending poor persons as patients, and although the Hospital shall be open to all suitable cases, preference in admission shall be given to such recommendation should the number of patients in the wards or circumstances generally, make a selection necessary.

53. Patients shall not be admitted to the Hospital, even on a recommendation, without the sanction of one of the Honorary Medical Staff or Resident Medical Officers unless in case of accident, or of special emergency.

54. No patients shall be admitted whose circumstances are such as to enable them to pay for their treatment, except upon payment of such sum weekly as may be fixed by the Committee, and all patients shall be expected to contribute as they may be able to the funds of the Hospital.

55. Patients receiving compensation for accidents or any patients receiving money benefit under the National Insurance Act, 1911, or any subsequent or amending Act or for special treatment to other than Hospital patients shall make such payments as the Committee may require.

56. Accommodation may be set apart for private patients on terms to be fixed by the Committee not being less than £5 5s. per week, but in no case should this be done to the exclusion of the poor.

57. Assistance shall be afforded at the Hospital to persons suffering from minor casualties, in the department specially provided for out-patients. A charge to cover the cost of surgical dressings shall be made in all cases where such out-patients are able to pay therefor.

## FORM OF LEGACY AND DEVISE.

---

*To those benevolent persons who may be charitably disposed to become Benefactors by Will, the following forms are recommended as perfectly simple, yet answering every purpose.*

### For a Bequest of Money.

*I bequeath to Royal Hospital, Richmond, Surrey, the sum of £ (free of duty) for the general purposes of that Institution; and I declare that the receipt of one of the Treasurers for the time being of such Institution shall be a sufficient discharge for the same.*

---

### For a Devise of Land or Houses.

*I devise and bequeath all that*

*unto the Trustees for the time being of Royal Hospital, Richmond, Surrey, upon trust, to sell the same within one year from the date of my decease and to apply the proceeds for the general purposes of that Institution.*

*Dated              day of              19*

Signed by the Testator (or Testatrix) as and for his (or her) last will and Testament, in the presence of us both present at the same time, who in his (or her) presence at his (or her) request and in the presence of each other have hereunto subscribed our names as witnesses.

*N.B.—Land and Houses, etc., can now be given by will for charitable purposes (as well as money, stock, and other personal property), but any Land or Houses, etc., so given must be sold (notwithstanding anything in the Will contained to the contrary) within one year from the death of the testator (or testatrix) and the proceeds applied for the purpose of the charity.*
